MINISTRY OF TRANSPORT

RESOLUTION

Ports

New Delhi, the 14th August 1950

No. 19-P(148)/49.—In accordance with the decision of the Government of India announced in their Resolution, Ministry of Transport, No. 19-P(123)/49, dated the 27th March 1950, a National Harbour Board has been constituted to advise on matters of general policy relating to port management and development, including their effects on industry, commerce, shipping, railways, etc., so as to ensure integrated consideration of all important port matters.

2. The composition of the Board will, for the present, be as follows:—

Chairman

(i) Hon'ble Minister for Transport.

Vice-Chairman

(ii) Hon'ble Minister of State for Transport.

Members

(i) Secretary to the Government of India, Ministry of Transport.

(ii) A representative of the Ministry of Railways.

(iii) Secretary to the Government of India, Ministry of Communications or his nominee.

(iv) Secretary to the Government of India, Ministry of Commerce or his nominee.

(v) Secretary to the Government of India, Ministry of Defence (assisted by the Chief of the General Staff, A.H.Q. and Director of Naval Plans, N.H.Q.).

(vi) Deputy Secretary to the Government of India, Ministry of Finance.

(vii) The Secretary to the Government of West Bengal, Commerce and Industries Department.

(viii) The Deputy Secretary to the Government of Bombay, Public Works Department.

(ix) The Presidency Port Officer, Government of Madras.

(x) The Secretary to the Government of Orissa, Commerce and Labour Department.

(xi) The Chief Commissioner, Kutch or his representative.

(xii) The Secretary to the Government of Travancore and Cochin, Public Works Department.

(xiii) A representative of the Government of Saurashtra.

(xiv) The Chairman of the Commissioners for the Port of Calcutta.

(xv) The Chairman, Bombay Port Trust.

(xvi) The Chairman, Madras Port Trust.

(xvii) The Administrative Officer, Cochin Harbour.

(xviii) The Development Commissioner, Kandla.

3. The Board shall meet at least once in six months and as often as business requires.

ORDER

ORDERED that a copy of this Resolution be communicated to the members of the Board, the Private and Military Secretaries to the Hon'ble the President, the Prime Minister's Secretariat, the Cabinet Secretariat, the Planning Commission and the Ministries of the Government of India concerned.

ORDERED also that the Resolution be published in the *Gazette of India* for general information

Y. N. SUKTHANKAR, Secy.

MINISTRY OF WORKS, MINES AND POWER

RESOLUTION

New Delhi, the 9th August 1950

No. MII-150(125).—A Mineral Policy Conference arranged by the Ministry (then Department) of Works, Mines and Power with representatives of the Provinces, States, Trade, Commerce, Labour and Mining interests was held at New Delhi on the 10th and 18th January 1947 to consider the lines on which a National Mineral Policy should be formulated and pursued. The Conference disclosed almost unanimous agreement about the urgent need for the formulation of such a policy, and for Central co-ordination and planned development of the country's mineral resources and the establishment of central machinery for the purpose. To achieve these objects the Government of India decided to constitute a competent technical organisation to work in close liaison with the various Ministries and Departments of the Central Government, functioning primarily as an advisory body, and as a result the Indian Bureau of Mines was set up in March 1948.

2. With the enactment of the Mines and Minerals (Regulation and Development) Act by the Central Legislature, in September 1948 and the Notification of the Mineral Concession Rules, 1949, and the Petroleum Concession Rules, 1940, the Bureau's sphere of work has increased considerably. Apart from its purely advisory capacity, it is necessary for the Bureau to function henceforth as a field and research organisation also, to attend to the conservation of the country's mineral resources and their utilization in the best possible manner.

3. *Functions.*—The functions of the Bureau will comprise the following:—

- (i) Advising the Central and State Governments on all matters relating to the grant of mineral concessions, and also on the exploration, exploitation and utilisation of the country's mineral resources;
- (ii) Periodic inspection of mines, for effecting the systematic development of mineral deposits, the elimination of avoidable waste, and the promotion of improved methods of mining;
- (iii) Conducting research on the beneficiation of low grade ores and the industrial utilisation of minerals and mineral products, as well as on mining problems, in collaboration with other research organisations;
- (iv) Conducting analyses of ores and minerals in connection with the work of the Bureau, and also for the public as far as time and circumstances permit;
- (v) Collection and publication of statistics relating to mineral production in India, mineral stocks, exports, local consumption, etc.; and collection and maintenance of information regarding world mineral production, world mineral trade, foreign mining rules, and other related matters;
- (vi) Publication of Bulletins and monographs on investigations relating to mining and the mineral industry;
- (vii) Assisting the mineral trade in the marketing of minerals;
- (viii) Undertaking any other function entrusted to the Bureau by the Central Government from time to time.

4. *Constitution.*—The Bureau will be in-charge of a Director, who will be assisted by such technical and administrative staff as may be necessary.

ORDER

ORDERED that this Resolution be communicated to all State Governments, all Chief Commissioners, the Ministries of the Government of India, the Cabinet Secretariat, the Private and Military Secretaries to the Hon'ble the President of the Indian Republic, and the High Commissioners for India in foreign countries.

ORDERED also that this Resolution be published in the *Gazette of India* for general information.

B. B. PAYMASTER, Dy. Secy.

MINISTRY OF COMMERCE

PUBLIC NOTICES

IMPORT TRADE CONTROL

New Delhi, the 8th August 1950

SUBJECT:—Income Tax Verification Certificates for allotment of Registration Numbers for the purpose of obtaining Import/Export licences-Submission of—to the Port Authorities concerned.

No. 72-ITO(P.N.)/50.—Applicants for Income Tax Verification Registration Numbers in accordance with the arrangements notified in Public Notice Number 9-ITC(PN)/50 dated the 17th May 1950, should apply to any of the following authorities—

1. Chief Controller of Imports, Church Road, New Delhi.
2. Deputy Chief Controller of Imports and Exports Bombay, Gulam Mohd. Buildings, Nicol Road, Ballard Estate, Bombay.

3. Import/Export Trade Controller, Custom House, Madras.

4. Export Trade Controller, Bhandari House, Court Road, Amritsar.

It is requested that applicants should apply to the authority nearest to them and not necessarily to the Chief Controller of Imports. A Registration Number allotted by any of the above authorities may be quoted in an application for an import licence made to any licensing authority, and not only in those made to the authority who allotted the number.

2. These instructions do not, however, apply to the allotment of Exemption Numbers described in Section III (8 to 14) of the Public Notice referred to above. The Chief Controller of Imports, New Delhi, will continue to allot Exemption Numbers as has been the practice hitherto.

New Delhi, the 9th August, 1950

SUBJECT.—*Licensing of raw wool and wool tops from soft currency countries during July-December, 1950*

No. 73-ITO(PN)/50.—The attention of importers is invited to the entry against S. No. 47 of Part V in Appendix B and Appendix F of Commerce Ministry Public Notice No. 14-I.T.C.(P.N.)/50, dated the 15th June 1950. In modification thereof it has been decided that

- (a) Licences for the article should be granted by the Import Trade Controllers at the ports and not by the Chief Controller of Imports, New Delhi;
- (b) that licences to actual users should be granted freely and not for only 6 months certified requirements; and
- (c) that each of these licences should be valid for shipment of goods up to 30-6-51 and not for only for 6 months.

2. Actual users should submit their applications as soon as possible to the Import Trade Controllers at the ports according to the area in which their factory is situated *vide* paragraph 44 and appendix 'Q' attached to the Public Notice mentioned above so that licences may be issued to them before September 1950 in order to enable them to make purchases at the wool sales which, it is understood, start at that time in Australia.

3. The certificates as to manufacturing capacity and actual requirements required to be attached to actual user applications according to paragraph 43 of Public Notice No. 14-ITC(PN)/50 dated 15th June, 1950 should be produced with the applications, but entries need be made in them only against items 1 to 9 of the form given in Appendix O to the above Public Notice, and no entries need be made against items 10 to 17.

4. Applications already received in the office of the Chief Controller of Imports are being forwarded for disposal to the appropriate Import Trade Controllers under intimation to the applicants.

SUBJECT.—*Licensing of Incandescent lamps and parts thereof falling under Serial Nos. 271 and 272 of Part IV of the I.T.C. Schedule from Soft Currency countries during July-December 1950 licensing period.*

No. 74-ITO(PN)/50.—The attention of importers is invited to the remarks in columns 19, 20 and 21 against Serial No. 271 and 272 of Part IV and column No. 25 against Serial No. 271 of Part IV in Appendix B to the Public Notice No. 14-ITC(P.N.)/50, dated the 15th June 1950. It has now been decided that

- (a) imports of incandescent lamps and parts should be allowed on a smaller scale than that announced in the above Public Notice.
- (b) some imports of hurricane lanterns should also be allowed.

2. Licences for import of incandescent lamps and parts thereof from Soft Currency areas will be granted on the basis of a quota of 50 per cent. of half of best years' imports of incandescent lamps and parts thereof from all countries except Switzerland. Licences for imports from Switzerland will be granted on the basis of the quota percentage already notified viz., 200 per cent. of half of best years imports (*vide* entry in Appendix B above mentioned read with Public Notice No. 33-ITC(PN)/50 dated the 15th June 1950).

3. Licences for the import from Soft Currency countries of Hurricane Lanterns and parts thereof falling under the same Serial numbers will be granted

to established importers on the basis of a quota of 33½ per cent. of half of best years' imports of metal lamps and parts thereof (other than incandescent lamps and parts) from all sources.

4. Public Notice No. 14-ITC(PN)/50 dated the 15th June 1950 should be deemed to be modified accordingly.

New Delhi, the 12th August 1950

SUBJECT.—*Import Trade Control—Import of goods in excess of the value (c.i.f.) of the import licences.*

No. 77-ITO(P.N.)/50.—It has been noticed in certain cases in which penalties have been imposed for the import of goods in excess of the C.I.F. value mentioned in the licence that the importers in question are under the impression that they are permitted to import goods in excess of the value of the licence provided that the excess does not exceed 10 per cent. of the same value. This impression is apparently based upon Clause (iii) of paragraph 1 of Public Notice No. 1/Gen(149)/47, dated the 10th November 1947, a copy of which is attached hereto for ready reference.

2. It will be seen that no right has been conferred on importers to bring in goods in excess of the value noted in the licence, and that ordinarily such goods will be treated as unauthorised imports and will be penalised accordingly. Though Clause (iii) of paragraph 1 of Public Notice of the 10th November 1947, contains a concession in this respect, it is a concession which can be permitted only where the Customs authorities consider that the case is an exceptional one and where they are satisfied that the importer had taken adequate action to ensure that the licensed value was not exceeded and that the excess was not deliberate.

3. Importers are therefore requested to be careful to see that the c.i.f. value of goods imported is within the value noted in the licence.

New Delhi, the 14th August 1950

SUBJECT.—*Licensing of imports of Silver Nitrate.*

No. 78-ITO(P.N.)/50.—With reference to the principles of licensing of imports of Silver Nitrate laid down in Public Notices Nos. 14-ITC(P.N.)/50 and 30-ITC(P.N.)/50, dated the 15th June 1950, it has been decided that no applications for licences for the import of Silver Nitrate will be entertained from actual users unless the authority issuing the Certificate as to Manufacturing Capacity and Actual Requirements as required in paragraph 43 of Public Notice No. 14-ITC(P.N.)/50 certifies also the exact use to which it is proposed that the Silver Nitrate in question shall be put.

R. J. PRINGLE, Joint Secy.

IMPORT TRADE CONTROL

New Delhi, the 10th November 1947

No. 1/Gen.(149)/47.—In view of the changes in the import control policy involving the limitation of all import licences by value, importers have been advised in this office Public Notice No. 1/Gen.(94)/47, dated the 3rd July 1947, that they should so adjust their orders that the actual imports against a licence do not exceed in c.i.f. value the limiting amount shown in the licence. Enquiries have, however, been received from importers and trade as to how it is proposed to deal with cases where owing to an increase in prices or freight charges etc. since the issue of a licence, the cost of the goods to be imported exceeds the value shown in the licence. The position

has been examined and the following general principles are notified for the guidance of importers.—

- (i) In the case of a rise in prices or an increase in freight or other incidental charges subsequent to the issue of a licence importers are required to restrict the quantities to be imported under the licence so that the c.i.f. value shown in the licence is not exceeded;
- (ii) where price variations are allowed in the contracts for the supply of goods placed with foreign suppliers importers should duly warn the suppliers to adjust the delivery in quantities so as to ensure that the value specified in the licence is not exceeded;
- (iii) in exceptional cases, however, where in spite of the precautions mentioned above, a small unforeseen increase in value occurs not exceeding 10 per cent. of the original value shown in the licence, clearance of the goods covered by licence will be allowed by the Customs authorities provided that they are satisfied that the importer had taken adequate action to ensure that the licensed value was not exceeded and that the excess was not deliberate; and
- (iv) any excess over the value shown in licence which is not covered by (iii) above will be treated as unauthorised and the consignment imported under the licence will be liable to penalty.

2. In case where it is not physically possible to reduce the quantities on order, such as plant and machinery, importers are required to apply for an amendment of the value specified in a licence, to the import control authority by whom the licence was issued, as soon as they are notified of an increase in prices and the increase is in excess of 10 per cent. of the original value shown on the licence.

G. R. KAMAT,

Chief Controller of Imports.

RESOLUTION

TARIFFS

New Delhi, the 19th August 1950

No. 43(1)-T.B./50.—The Tariff Board, which was asked to enquire into the claim for protection of or assistance to the Sterilized Surgical Catgut industry in April 1949, has submitted its report. The scope of the enquiry has been confined to the following varieties of guts which are produced in the country:—

- (a) absorbable variety of Catgut in plain and chromic types, and
- (b) non-absorbable variety made from silk worms.

2. The Board's recommendations are as follows:—

- (1) The existing revenue duty adequately safeguards the interests of the indigenous industry. There is therefore no case for affording any tariff protection to the industry.
- (2) Releases of Sterilized Catguts by the Disposals Directorate should be so regulated as not to affect adversely the indigenous production.
- (3) 50 per cent. of indigenous Surgical Catguts should be purchased by the Medical Directorate, subject to their being up to the standard, for distribution to the various hospitals under their control.
- (4) In order to develop the industry, the Directorate of Medical Stores should purchase the entire requirements of silk worm sutures from the Sericultural Section of Madras Government, provided the quality is up to the standard.

3. Government accept recommendation (1) and also in principle the other recommendations. Steps will be taken to give effect to them as far as possible. With reference to recommendation 2(2) above, however, the present stocks with the Disposals Directorate are too small materially to affect Indian Industry, and the same shall be made immediately available for use.

ORDER

ORDERED that a copy of this Resolution be communicated to all concerned, and it be published in the *Gazette of India*.

S. RANGANATHAN, Joint Secy

MINISTRY OF INDUSTRY AND SUPPLY

Bombay, the 10th August 1950

No. 9(9)-Tex.1/49.—In exercise of the powers conferred on me by clause 20 of the Cotton Textiles (Control) Order, 1948, I hereby direct that the following further amendments shall be made in the Textile Commissioner's notification No. 9(9)-Tex 1/49, dated the 15th April 1950, namely:—

In the said notification—

(1) in direction 1 for sub-paragraph (ii) the following shall be substituted, namely:—

“(ii) directions 9(b) and (c) shall be complied with by all producers who have a spinning plant. Directions 9(d), (e) and (f) shall be complied with by all producers who have no spinning plant. The remaining directions 2 to 8, 9(a) and 10 shall be complied with by all producers, that is to say, both producers who have a spinning plant and those who have not.”

(2) for direction 9 the following shall be substituted, namely:—

- “9. SAREES.—(a) No producer shall produce any saree with borders exceeding 2½” in width or use real or imitation zari in a saree border;
- (b) no producer who has a spinning plant shall use gold coloured art-silk yarn in a saree border;
- (c) no producer who has a spinning plant shall use any coloured yarn in the body of a saree except in a heading thereof provided such heading is not more than 9” in width;
- (d) no producer who has no spinning plant shall produce a saree with a striped or check pattern in which coloured yarn is used;
- (e) no producer who has no spinning plant shall produce any saree with a heading more than 9” in width;
- (f) no producer who has no spinning plant shall produce any saree in which the count of yarn is below 36s (whether warp or weft and whether single or folded).

2. The directions in items (a) to (e) of direction 9 above come into force at once and the direction in item (f) of the same direction shall come into force on the 1st September 1950.

Bombay, the 11th August 1950

No. 9(9)-Tex.1/49.—In exercise of the powers conferred on me by clause 34 of the Cotton Textiles (Control) Order, 1948, in supersession of the Textile Commissioner's notification No. 80-Tex.1/48(ii), dated the 27th April 1948 and with the sanction of the Central Government I hereby authorise each of the Controllers to exercise on my behalf the function under clause 33 of the said Order to exempt any cloth or yarn in the possession of any dealer carrying on business within his jurisdiction from the provisions of clause 25.

T. P. BARAT, Textile Commissioner.

New Delhi, the 14th August 1950

No. I(2)-1(5)/50.—The following amendments are made in the Ministry of Industry and Supply Resolution No. I(2)-1(5)/50, dated the 10th June 1950, regarding the Expert Committee for the Automobile Industry:—

(i) In para. 1 under the heading “Members”—

Against No. 7, the entry within brackets “He also represents Messrs. Ford Motor Co. of India, Ltd., Bombay” may be *deleted*.

After No. (9), the following may be *added* as a new item:—

“(10) Mr. E. A. Oakley, Messrs. Ford Motor Co. of India, Ltd., Bombay.”

(ii) In para. 1, the number shown against “Secretary” may be *amended* to read “(11)”.

(iii) For para. 3, the following may be *substituted*:—

“3. The Committee will submit its report to the Government by the end of October 1950.”

ORDER

ORDERED that a copy of the above Notification be forwarded to all State Governments and Administrations, all Ministries of the Government of India, the Indian Trade Commissioners, all Indian Embassies, the High Commissioner for India, London the United Kingdom Trade Commissioner in India, all Chambers of Commerce and Associations, the High Commissioner for India in Pakistan, Karachi, the High Commissioner for Pakistan in India, New Delhi, and the Secretary, Indian Tariff Board.

ORDERED also that it be published in the *Gazette of India*.

S. BHOOThALINGAM, Joint Secy.

MINISTRY OF EDUCATION

New Delhi, the 12th August 1950

No. F.13-32/50-T2.—The following candidates have passed the All India Diploma Examination in Electrical Engineering held in April/May 1950:—

First Class (Names arranged in order of merit)—

Roll No.	Names
16	Madan Surinder Kumar
5	Chada Indra Mohan
28	Surinder Singh
14	Khullar Madan Mohan Lal

Second Class (Names arranged in alphabetical order)—

Roll No.	Names
1	Adarsh Kumar
10	Inderjit Singh
13	Kaila Rajpal
20	Minocha Jit Lal
23	Sapra Jugal Kishore
27	Soni Kailash Chand
30	Varma Satya Pal
31	Venkateswaran P. S.
32	Virendra Nath

The following candidates have been placed in compartment in the subject or subjects as shown against their names:—

Compartment in one subject—

Roll No.	Names	Subject
3	Bhatia Ved Prakash	Strength of Materials
6	Chopra Chand Prakash	Strength of Materials
7	Dharmendra Mohan .	Strength of Materials
17	Maini Kundan Lal .	Strength of Materials
19	Miglani Krishan Lal .	Strength of Materials
24	Sarin Baldev Krishan	Strength of Materials

Compartment in two subjects—

Roll No.	Names	Subject
2	Bhatia Harish Chandra	(i) Strength of Materials. (ii) Elementary Principles of Telegraphy, Telephony and Radio Communications.
8	Gill Harbans Singh .	(i) Theory of Machines. (ii) Strength of Materials.
11	Jain Keshab Chandra	(i) Electrical Engineering (ii) Elementary Principles of Telegraphy, Telephony & Radio Communications.
15	Krishnaswamy Raghunathan	(i) Strength of Materials. (ii) Elementary Principles of Telegraphy, Telephony and Radio Communications.
18	Mayor Jetinder Kumar	(i) Strength of Materials. (ii) Elementary Principles of Telegraphy, Telephony & Radio Communications.

No. F.13-34/50-T.2.—The following candidates have passed the All India Diploma Examination in Chemical Engineering and Technology held in April 1950:—

Second Class (Names arranged in alphabetical order)—

Roll No.	Names
2	Brijesh Bansil Lal.
3	D'lemos Patrick Joseph.
4	Mittal Naresh Bal.
5	Rama Rao T.S.
6	Sud Kishan Chand.
<i>Pass Class</i> —	
8	Jain Shiv Nath.
10	Mathur Mahabir Bali.

The following candidates have been placed in compartment in the subjects shown against their names:—

Compartment in two subjects—

Roll No.	Names	Subjects
1	Awasthi Kailash Shankar.	(i) Industrial Chemistry. (ii) Chemical Engineering.
7	Choudhury Jai Dev.	(i) Industrial Chemistry. (ii) Chemical Engineering.
9	Jathindar Nath.	(i) Industrial Chemistry. (ii) Chemical Engineering.
